

TOILAWAY

Toilet & Urinal Cleaner

Contains: Quaternary Ammonium Compound 8g/L, Sulphamic Acid 30g/L, Citric Acid 50g/L

Toilaway is a powerful acid based detergent specially designed for the removal of undesirable iron and calcium scale and build up.

Toilaway contains a quaternary ammonuim derivative germacide to ensure good disinfectant performance.

Toilaway has incorporated a clinging agent into the product to improve the contact time between the cleaner and the surface and to make this toilet bowl cleaner a safer product to handle.

Toilaway is perfumed with an alpine fragrance, leaving surfaces fresh and revived.

Toilaway Toilet & Urinal Cleaner

- Cleans without fumes
